In This Grace Weekly

Welcome to this week's edition of the Grace Weekly. October 22nd marked the end of the first nine weeks of school. You should have received your child's report card via email on Friday afternoon and will soon receive an email from your child's teacher about scheduling a required parent/teacher conference if you have not already. The conference will be a great time to check in on your student's progress and ask any questions you may have about the school year thus far.

Fire Prevention Presentations

Last week Grace Academy was visited by members of the Boone Fire Department who taught the students about fire prevention and safety. Students received information on smoke detectors and escape plans. The younger grades also enjoyed a visit to the fire truck!

Volunteers Needed, Please

On Wednesday, November 17th, our teachers and staff will have an appreciation luncheon. In order for teachers to be able to enjoy their special meal, we ask for volunteers to monitor the lunch and recess time for classes. Volunteers for grades 6-7 are needed from 11:00am to 11:45am. Those covering K-5th grade classes should plan on arriving at 11:45am and staying until approximately 1:00pm. If you are able to supervise this time for a classroom, please call/text the school office at 828.773.7830 or email Jill.
