A flashback to the fourth graders in August!

In This Grace Weekly

It is an exciting time here at Grace Academy. We have completed our first quarter and are well into the second. Field trips are being planned and Thanksgiving parties are just around the corner!

Please join us in showing your thankfulness for your student's teacher by volunteering to cover the lunch hour on Wednesday, November 17th for the Appreciation Luncheon. Also in this issue, enjoy the photos of the sixth grade Geography projects.

Lost and Found

Do any of these items belong to your child? Please have them ask for the item at the front desk. Anytime you are missing a lunch box, water bottle, or clothing item, please come into the school and look through the lost and found.

Volunteers Needed, Please

On Wednesday, November 17th, our teachers and staff will have an appreciation luncheon. In order for teachers to be able to enjoy their special meal, we ask for volunteers to monitor the lunch and recess time for classes. Volunteers for grades 6-7 are needed from 11:00am to 11:45am. Those covering K-5th grade classes should plan on arriving at 11:45am and staying until approximately 1:00pm. If you are able to supervise this time for a classroom, please call/text the school office at 828.773.7830 or email jill.

Sixth Grade Flag Projects

Mrs. Plyler tasked her sixth grade students to recreate flags for the states they are studying in Geography class. Each student was assigned a state and had to research the history, symbolism, and imagery of its flag. The projects will serve as decoration for the State and World Fair during which students will present reports on their states as well as fix food dishes that the state is famous for. Stay tuned for pictures of this event coming soon. Enjoy these recreations!
