## 2022-2023 Enrollment

Enrollment is now open for returning students! To access your child's re-enrollment packet, login to your FACTS Family Portal account and click on Apply/Enroll on the left sidebar menu. From here, parents can not only re-enroll their current student for next year but also begin the application process for any children in their family transitioning to Grace Academy or starting kindergarten. Priority re-enrollment ends February 28.

## The Miseducation of America

You may remember that last year Grace Academy joined The Association of Classical Christian Schools (ACCS). ACCS President David Goodwin has been a major contributor to a new documentary entitled *The Miseducation of America*. *The Miseducation of America* follows the spread of progressive education as it slowly removed Christianity from schools over the past 100 years. The documentary is broken into 5 half-hour episodes. "Miseducation" highlights the 7 liberal arts in episode one, but then takes a journey through the progressive takeover of education. It returns to classical Christian education in episode 5. The series was not intended to be an explanation of classical Christian education, but rather to motivate parents and supporters by helping them see the problem with modern education and then look to classical Christian education as a solution.

Parents can stream the episodes for free by clicking [here](#) and signing up for a free 90 day trial of Fox Nation using promo code: CLASSROOM.

## Basketball Season Continues

Please mark the below dates on your calendar and come out to support the Grace Academy Knights!

- Thursday, January 27th - Home game vs. New Dimensions Charter School - 4:30pm girls, 5:30pm boys
- Tuesday, February 1st - Away game at New Dimensions Charter School in Morganton - 4:30pm girls, 5:30pm boys
- Saturday, February 5th - Away game at Surry County Home Schoolers - 2:00pm girls, 3:00pm boys
- Tuesday, February 8th - Home game vs. Heritage Christian School - 4:00pm girls, 5:00pm boys

## New Faculty/Staff Spotlight

We are pleased to announce that Mr. Don Wood has joined Grace Academy as our new Athletic Director. Mr. Wood (or Coach Wood to many of our students!) has been fulfilling this role in a volunteer capacity since August, but we were grateful to bring him on as an official staff member in January. In addition to overseeing our developing athletic program, Mr. Wood is also teaching a section of pre-algebra this semester. Please welcome Mr. Wood when you see him!

## Lost & Found

Certainly, some of the items pictured below belong in closets at your house! Please have a look at the coats, sweaters, and water bottles below. I know a little girl's Christmas dress was missing those sweet black shoes! Which ones have you been looking everywhere for?
